ADULT EDUCATION/ESOL

Jobs and Community Services (JCS) & the Adult Literacy Initiative (ALI) Community Planning for Adult Literacy Providers

Program: As an integral part of its five year funding cycle for adult literacy programs, The Department of Education / Adult Community Learning Services (DOE/ACLS) has mandated that all funded programs continue to be involved in a comprehensive community planning process to identify stakeholders, identify assets and needs regarding literacy, and formulate plans to better meet the identified needs. DOE has allocated resources to providers to implement community planning. Boston providers funded through the current DOE competitive funding cycle have agreed to pool a portion of those resources in collaboration with JCS and DOE to do community planning for literacy programs in Boston.

Bidders may bid on a portion of the community planning process or bid on doing the entire project. The following are the main objectives the community planners will be expected to achieve:

1. Assist ABE/ESL providers/collaboratives with the development of community planning partnerships at a neighborhood and citywide level.

With the active participation of these partnerships:

2. Assess the state of community planning in Boston, including review of previously submitted community planning documents, stakeholders involved in each community, level of involvement, actions and products of planning in each community and particular objectives/concerns of each community.
3. Begin to develop comprehensive list of adult education assets and needs identified to date in Boston.
4. Develop a workplan, including timelines and expected products, for Boston Adult Education community planning process for Year 1
5. Draft a follow up plan for Boston Adult Education community planning process for Year 2

Deadline: November 17, 2000.

Funds: TBD.

Eligible: Boston residents or organizations are strongly preferred.

Info: Requests for Qualifications (RFQ's) may be picked up from the Jobs and Community Services Planning Department, 3rd Floor, 43 Hawkins Street, Boston, MA 02114. RFQ's will be available starting 12 noon October 30, 2000. *Please call Todd Lee, JCS Senior Planner, at 617-918-5226 for clarifications or questions.*

Department of Commerce

Financial Assistance for Internship Program for Postsecondary Students

Program: The Department of Commerce (DoC) established a postsecondary internship program to aid and promote experiential training activities which foster future employment in DoC or the Federal Government in general. U.S. citizens enrolled as students in two-and four-year accredited educational institutions, and accredited graduate and law schools will participate in on-site work experiences in DoC bureaus and offices in order to integrate academic theory and workplace requirements; gain relevant skills and knowledge; explore Federal career options; develop professional networks; and develop a greater awareness of the role of Federal agencies. The program will be administered through a partnership between the DoC and non-profit and/ or educational institution(s) and funded by cooperative agreement(s).

Student opportunities will be primarily in the Washington, DC metropolitan area, but will include field locations outside the area. Summer internship sessions will be for a ten-week period. Academic semester or quarter internship sessions will be structured to coincide with the academic calendar of the students' institutions. Institutions that are selected as training partners will develop and administer a comprehensive internship program.

Deadline December 22, 2000.

Funds: Interns will receive stipends. Round-trip air or ground transportation between the metropolitan DC area (or field job location) and the students' residence or school site will be provided to interns, as needed.

Department of Health and Human Services/Centers for Disease Control and Prevention

Pregnancy Risk Assessment Monitoring System

- Program:** The purpose of the program is to assist State public health agencies in generating State-specific data for informing prenatal health programs and policies. This will be accomplished by assisting the State public health agencies to (1) establish or maintain State-specific, population-based surveillance of selected maternal behaviors and experiences that occur around the time of pregnancy and early infancy, (2) enhance the basic PRAMS surveillance system in order to more effectively reach special or related populations which are typically considered hard-to-reach populations, and (3) to implement alternative methodologies for surveying women about selected maternal behaviors and experiences. This announcement includes three separate categories:
- ✓ Category A (Core Activities): To establish or maintain State-specific population-based surveillance of selected maternal behaviors and experiences that occur around the time of pregnancy and early infancy.
 - ✓ Category B (Enhanced Activities): To enhance regular PRAMS surveillance to reach special population groups, to test new data collection or analytic methodologies related to pregnancy or infant health, or to gather additional information on specific topics from women or others. Category B funds cannot be used for ongoing sampling from data sources other than vital records.
 - ✓ Category C (Alternative Methodologies): To implement one time (point-in-time) surveys for State-specific, population-based surveillance of selected maternal behaviors and experiences that occur around the time of pregnancy and early infancy.
- Funds:**
- ✓ **For Category A (New States):** Approximately \$1,500,000 is available in FY 2001 to fund approximately 8-12 awards. It is expected that the average award will be \$150,000, ranging from \$75,000 to \$175,000. It is expected that the awards will begin on or about April 1, 2001, and will be made for a 12-month budget period within a project period of up to 5 years.
 - ✓ **For Category B (New or Existing States):** Approximately \$2,500,000 is available in FY 2001 to fund approximately 5 awards. It is expected that the average award will be \$500,000, ranging from \$175,000 to \$750,000. It is expected that the awards will begin on or about April 1, 2001, and will be made for a 12-month budget period within a project period of up to 3 years.
 - ✓ **For Category C:** Approximately \$500,000 is available in FY 2001 to fund approximately 5 awards. It is expected that the average award will be \$100,000, ranging from \$75,000 to \$125,000. It is expected that the awards will begin on or about April 1, 2001, and will be made for a 12-month budget period within a project period of up to 3 years.
- Eligible** Applicants may apply for core activities (Category A), either as an existing grantee or as a new grantee, or they may apply for alternative methodologies (Category C). In order to apply for enhanced activities (Category B), applicants must also apply for and receive Category A funding. A separate narrative must be provided for each category for which an applicant.

Projects are sought which help develop conflict resolution skills, appreciation of diversity, academic and personal potential, and leadership capacity for children, youth and their families. Of additional interest are projects which reach across ethnic, racial, and economic boundaries, and which provide opportunities for urban and suburban participants to work together.

Deadline: Next deadline is November 15, 2000.

Funds: Typical grant size is \$3,000.

Eligible: Non-profits.

The Hyams Foundation

Grants for Social Justice

New Deadline Schedule!

Program: The mission of the Hyams Foundation is to increase economic and social justice and power within low-income communities. The Hyams Foundation believes that investing in strategies that enable low-income people to increase their economic security, build wealth and become active participants in their communities will have the greatest social return in these times. The Foundation will carry out its mission by: supporting civic participation by low-income communities; promoting economic development that benefits low-income neighborhoods and their residents; and developing the talents and skills of low-income youth.

Deadline: New revised deadlines are as follows:
✓ Due the fourth Friday of December -- For the March, 2001 Meeting
✓ Due the fourth Friday of March -- For the June, 2001 Meeting
✓ Due the fourth Friday of June -- For the October, 2001 Meeting
✓ Due the fourth Friday of October -- For the February, 2002 Meeting

Funds: Typical grant size is \$17,500.

This open and competitive RFP process is for web design group training to be targeted specifically to dislocated workers in the Boston and Metro Southwest areas who need occupational training to become employed.

Deadline: Completed proposals are due to JCS on Thursday, November 30, 2000 at 5:00 PM. Letters of intent to bid are due to JCS by Tuesday, November 14, 2000 at 5:00 PM and are required for all bidders intending to submit proposals.

Funds: TBD.

Info: Questions regarding this RFP may be directed to JCS Senior Planner Todd Lee, 43 Hawkins Street, Boston, MA 02114 at 617-918-5226. RFPs will be available beginning Friday, November 3, 2000 at 12 noon at the JCS Planning Office, Floor 3A, 43 Hawkins Street, Boston, MA 02114. A Bidders Conference will be held on Wednesday, November 8, 2000 at 10 AM in the BRA Board Room, 9th floor, City Hall, Boston, Mass. Although attendance is not required as part of the procurement process, potential bidders are strongly urged to attend.

WOMEN & GIRLS

Department of Justice/Office of Juvenile Justice and Delinquency Prevention

National Girls Institute

Program: The purpose of this project is to establish a National Girls Institute (NGI) to advance the understanding and application of promising prevention, intervention, treatment, education, detention, and aftercare programs and services for delinquent and at-risk girls. NGI will promote integrated and innovative programs that employ a comprehensive service delivery system appropriate to the unique developmental and culturally specific needs of girls and

their families. The Institute will accomplish its mission through a broad range of activities, including program development and enhancement, research activities, training and technical assistance, information dissemination, collaboration with Federal and private agencies, and policy development.

Deadline

December 1, 2000.

Funds:

Up to \$1,200,000 is available for the initial 12-month budget period.

Eligible

Public and private agencies, organizations, or institutions. Private, for-profit organizations must agree to waive any profit or fee. Applicants must have strong, demonstrated experience in planning, managing, and administering a national-scope organization with multiple components. In particular, applicants must have strong experience in designing and overseeing training and technical assistance support in gender-specific programming and services that are grounded in fostering the positive developmental needs of girls.

**National Science Foundation and the Association for Women in Mathematics
Travel Grants for Women**

Program:

The objective of the NSF-AWM Travel Grants program is to enable women mathematicians to attend research conferences in their field, thereby providing a valuable opportunity to advance their research activities and their visibility in the research community. Mentoring travel grants are also awarded to help younger women develop a long-term working and

mentoring relationship with a senior mathematician.

- Funds:** A maximum of \$1,000 for domestic travel and \$2,000 for foreign travel will be made available, with funds provided by the Division of Mathematical Sciences of the National Science Foundation. Grants will only be awarded for research conferences in an area supported by DMS. This includes certain areas of statistics but excludes most mathematics education as well as the history of mathematics.
AWM expects to award up to six mentoring travel grants, in amounts of \$4,000 each. Each grant will fund travel and other expenses for an untenured woman mathematician to travel to an institute or a department to do research with a specified individual for one month.
- Deadline:** February 1, 200; May 1, 2001
- Eligible:** Applicants must be women holding a doctorate (or with equivalent experience) and working in the U.S.

YOUTH

The Lloyd G. Balfour Foundation After School Teen Initiative

Program: Fleet National Bank, Trustee of the Lloyd G. Balfour Foundation has announced a second cycle of a grant initiative supporting after school programming for children aged 12-16. The program will focus on urban areas in Massachusetts and will work toward providing after school care that promotes academic and personal development.

The goal of this initiative is to improve the quality and expand the availability of after school teen programming while maintaining affordable fee structures. Ideal programs will serve not only as safe havens but will also provide real opportunities for learning that will work toward improving academic achievement.

- Deadline:** December 21, 2000.
- Funds:** This funding cycle will provide funds totaling \$2 million. Grants will be awarded to approximately ten to fifteen organizations for a two-year period. The grant size will range from \$75,000 to \$200,000.
- Eligible:** Social service agencies, schools, and colleges, as well as community groups and church groups will be considered. Collaborative ventures will also be given favorable consideration.
